The Total Solution for Pool and Spa Access

The Pro Pool Lift™

Item# F-004PLB

The Pro Pool Lift™ is the first ever aquatic lift to be **independently verified by Wyle Labs to be ADA compliant and safe for commercial use.**

The unique design of this lift minimizes the amount of required deck space needed to install and it also does not require the lift to rotate or extend into the water unless being used.

The lift features all stainless steel construction with a protective white epoxy powder coat finish. Ideal for facilities with limited deck space and where aesthetics are of the utmost importance.
