

## Easy Stack Bench

These all-weather, portable and ruggedly durable fiberglass benches are the perfect team seating solution. EasyRec athletic benches can handle any environmental conditions from the pool, field, gym or locker room. Light-weight and stackable construction makes these high capacity benches ideal for quick set-up and compact storage. Manufactured as a single-piece they provide strong, stable seating with a weight capacity of 700lbs. The Indoor/Outdoor marine-grade PloyCor® isophthalic exterior gelcoat is corrosion, moisture, UV and scratch resistant. Choose from a breadth of colors and customize the benches with your team logo or personal graphics. Easy to handle, convenient to store and no assembly required.
